The Woodlands, TX 77380

Phone (281) 364-1014 Fax (281) 292-1014

Name: _____ Surgery: _____

Date & Time: _____ Location: _____

Before you pre-register, please stop by the office to pick up your surgery orders and pay your surgery deposit.

One to two days prior to the surgery you will need to pre register at the location of your procedure and have your lab work drawn. At that time you will be instructed where and when to arrive the day of the surgery.

Routine medications should be taken the night before surgery. Do not stop any medications without discussing it with Dr. Mulder or Dr. Hanes; however, diabetic medications generally should not be taken while fasting and blood thinners, i.e., aspirin, NSAIDs, should generally be avoided 3-10 days prior to the procedure. If you are on any of these specific medications or you are unsure if you are taking a medication that falls into this category, please speak with us immediately.

Preop Preparation:

You may have clear liquids only after 5:00 PM and nothing after midnight. Clear liquid is defined as anything you can see through.

Remember it is very important that you do not have anything to eat or drink after midnight the night before or the morning of the procedure!!

Bowel Prep

_____ None necessary for your procedure.

_____ Magnesium Citrate: you will take two bottles magnesium citrate by mouth the day before the surgery. You may obtain this from any pharmacy. Please do the prep between 12 PM and 5 PM.

_____ Fleets emema: Do two fleets enemas the morning of the surgery before going to the hospital.

Outpatient surgery requires you to have someone 18 years of age or older to drive you home following the procedure.

If you have any questions please call the office at 281-364-1014
